1840 - 1870		
1871 - 1918		
1919 - 1959		
1960 - PRESENT		

This series of maps is intended to depict the changing settlement pattern on the North Shore over time, based on data gathered for the thematic review of historic heritage resources. While every effort has been made to ensure their accuracy, the maps are indicative only, and may contain some inaccuracies.
