

Dear Dog Owner

You may not be aware that your dog is barking persistently when you are not home.

I am contacting you as the first step, to raise my concern and ask you to please make some changes to reduce the barking.

Generally, your dog has barked/howled during the following days and times:

---

---

---

---

This appears to happen when:

---

---

---

---

Other information:

---

---

---

Please follow the below link from Auckland Council, which may help identify why your dog is barking excessively, and provide some practical solutions:

<https://www.aucklandcouncil.govt.nz/dogs-animals/problems-dogs/Pages/how-control-barking.aspx>

Please assist us by working with your dog to reduce the barking.

Thank you.
