

Stormwater Asset Owner Approval for Access

PERMIT TO ACCESS THE STORMWATER NETWORK FOR NON-PHYSICAL WORK ACTIVITY

- For any activity involving physical work to the network, Engineering Approval is required. More information can be found on the [Auckland Council website](#).
- For most activities within a road reserve, a Corridor Access Request (CAR) approval is required from Auckland Transport (www.at.govt.nz)
- The Applicant is responsible for obtaining all landowner permissions for the activity.
- Access is NOT permitted during periods of heavy rain or when there is a threat of heavy rain in the immediate area.

Location:

Start date for activity:

End date for activity:

Activity: CCTV Inspection
Jetting
Visual inspection requiring physical entry to the network
Other access to the network not involving physical works

Objective:

Building consent / Resource consent reference (if available):

Applicant:
