Morena Sam,

We have been instructed by Willis Bond and Company Limited to advise the Hearing Panel that it withdraws part of its submission to Plan Change 78.

This relates to submission point **1975.4**

Add additional provisions which increase the maximum height standard in each sub-precinct within Takapuna by no more than 15 metres on a restricted discretionary basis provided the applicant demonstrates the proposed development will achieve good design outcomes in keeping with the special character of the area and its waterfront location.

Can you please confirm receipt of this email and confirm that the submission point has now been withdrawn.

Kind regards | Ngā mihi nui
